

CAPABILITIES STATEMENT

NUTEK INDUSTRIES

UEID: PE84MMQ1LR25

CAGE: 9PRC6

FEIN: 20-5688301

Company Information:

NuTek Abrasives is an American manufacturer of Diamond blades and Bits. With 20 years of experience, we are one of very few companies that actually manufacture our diamond blades in USA with all American materials and Labor. Our Premium Diamond blades are proven to cut faster and last longer than the many products made overseas; and we manufacture in the Midwest...in Fort Wayne Indiana.
